9th March PTFA QUIZ

From the Principal...

Dear Parents,

Welcome to our February newsletter!

The brighter mornings and afternoons are approaching fast and hopefully all the sickness we have had this Winter will be a thing of the past.

Can I remind Parents to remember to drive slowly through our school car park area and to also supervise their children as they walk to their cars, I'm sure we all agree that childrens' safety is very important.

We are delighted to have been accepted for a Shared Education project partnering with St Patricks Primary in Holywood. This year our Primary 4 classes are working together on their ICT learning. We look forward to a long, special relationship which will also help the school financially and educationally.

At the end of this month we will be saying farewell to our school secretary, Mrs Spratt, we wish her well in her retirement and thank her for everything she has done for the school and the children - we will miss her greatly!

Thank you for your continued support,

A Burton

P4 Shared Education

On Wednesday 24th January our P4 children had a fantastic day during our Case Peace IV Shared Education day at Dundonald Ice Bowl with the children from P4 in St Patrick's Primary School. We took part in bowling and had great fun in Indiana Land while getting to know our new friends! We even got to meet the mayor!

P1 & Nursery Connected Learning Day

P1C and Nursery had a connected learning day with P1 from Victoria Park. Our school hosted the visit and activities included Jump, Jiggle and Jive and African Drumming. It was a great day getting to know some new faces! P1M are looking forward to their day in February.

P7 Radar Trip

On Monday 22nd January P7 visited Radar NI. Radar is an indoor village where children learn how to stay safe in the home, on public transport and online in a fun and interactive way. The children all enjoyed the experience.

P1 & P3 Fire Visit

P1 have been learning about People Who Help Us and P3 have been learning about being Safe and Sound. We were very lucky to get a visit from some Firemen to tell us all about their jobs and how we can keep ourselves safe. We even got to see their Fire Engine!
